# AgendiZeMe™: Solution for Small and Medium Size Businesses

Now, you and your business can take advantage of the power of **AgendiZe suite of call-to-action tools** to turn online ads into customer action. **AgendiZe™** is an easy, economical, self-service platform for **Click-to-Call** and **Click-to-Save & Share** services.

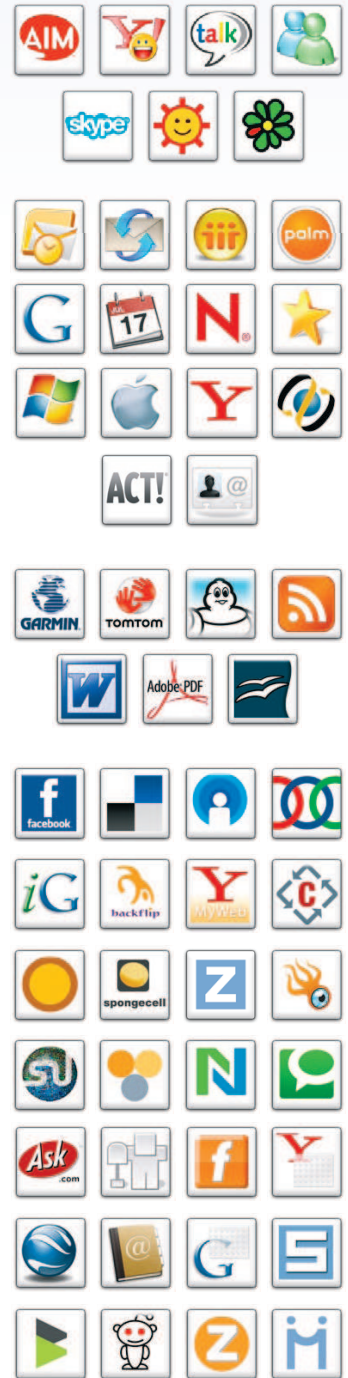

Make your Ads & Sites actionable across more than 50 services & devices

**Empowering users.** **AgendiZeMe™** increases the effectiveness of all of your business' web sites, ads or emails, enabling your users to:

- Move content you have defined - along with links back to your business - to the devices and applications they use most, such as: Personal address books, agendas and PDAs, desktops, instant messengers, emails, cell phones (via text messages) and social bookmarks such as *Facebook*, *Yahoo! MyWeb* and *del.icio.us*.
- Contact you right away thanks to the **AgendiZeMe™ Click-to-Call-For-Free service**.

By allowing users to choose the destination for your content, where they will be most likely to act upon it, **AgendiZeMe™** helps move the customer from online research to offline transaction.

**Empowering businesses.** Each customizable **AgendiZeMe™** call-to-action button takes just a few clicks to set up, and can be easily pasted on either a web site, ad banner, email campaign, etc. - no technical expertise required !
